

## What is OrderAhead?

OrderAhead is a fast, convenient, private way for you and your family to choose the food you need.

OrderAhead was developed by Feeding America and its network of Food Banks.

Cuyahoga Falls Good Neighbors is proud to have been selected to pilot the program in this area.

### **BENEFITS TO YOU:**

Every 28 days you can shop our entire current inventory online and **choose only the food items you want.** Pictures and descriptions of all our available items are online.

You can sign in from a smart phone, tablet, or computer to choose your items. You choose a Tuesday or Thursday pickup date and receive confirmation of your order.

When you show up at our drive-thru your food order will be ready. You can still request clothing and hygiene items at the drive thru. Pet food will be offered at the drive-thru when available.

Any month you do not order online you can come through the drive-thru like usual.
